Basic Doctrines of the Christian Faith

- Every word of the Bible is inspired by God and is without error, so that the Bible is the only infallible rule for faith and Christian practice.
- There is one God, eternally existing in three persons: Father, Son, and Holy Spirit.
- God created everything out of nothing.
- God is the one supreme ruler in the universe.
- Jesus Christ is fully God—the second person of the Trinity.
- Jesus Christ is fully man.
- God has supernaturally performed many special miracles, as recorded in the Bible—including the virgin birth of Christ.
- Jesus Christ never sinned; He lived a sinless perfect life.
- Jesus Christ's death on the cross was a substitutionary sacrifice for our sins.
- Jesus Christ was bodily resurrected from the grave, and is now living victoriously over death.
- Jesus Christ will bodily come again.
- The Holy Spirit is fully God—the third person of the Trinity. He is a person—not an impersonal force or power.
- Every human being has sinned, and apart from Christ is unfit for Heaven.
- Salvation is by grace alone through faith alone in Jesus Christ alone.
- Jesus Christ is the only mediator between God and men.
- The Holy Spirit indwells all those who place their faith in Christ for salvation.
- The saved should live a Christ-like life in the power of the Holy Spirit, turning away from sin, and showing love and goodness.
- Every believer is commanded to learn the word of God, to pray, to worship, to witness about his faith, to fulfill family duties, and to fellowship with other believers.
- Satan, demons, and angels are real spiritual creatures.
- Heaven and Hell are real places, and each person will spend eternity in either Heaven or Hell.
